**AFFORDABLE SENIORS' INDEPENDENT LIVING UNDERWAY IN RICHMOND**

RICHMOND, B.C. – The governments of Canada and British Columbia, along with community partners, gathered November 26<sup>th</sup> for the celebration of construction of The Maple Residences, a 144-unit seniors Independent Living development in Steveston.

Through an amendment to the Canada-British Columbia Affordable Housing Agreement, the federal and provincial governments are contributing a combined total of approximately \$3.9 million for 30 affordable Seniors' Rental Housing (SRH) units. The Province will also provide \$34.4 million in construction financing for this project. The Steveston Unit 284, Army Navy and Air Force Veterans of Canada provided land equity valued at approximately \$8.3 million.

The Steveston 284 Seniors' Housing Society (SSHS) will manage and operate the 144 seniors' Independent living suites. SSHS is a non-profit organization established in 2009 to provide affordable housing to seniors living in the Steveston area of Richmond.

“Our society is proud to partner with the Province of British Columbia and the Government of Canada to develop The Maple Residences,” Mel Goodwin, President of Steveston 284 Seniors' Housing Society. “There is currently a shortage of affordable housing in this area and through this partnership we will be able to provide low to moderate income seniors with better access to quality, affordable housing in Steveston.”

Steveston 284 Seniors' Housing Society's, The Maple Residences, located at 4071 Chatham Street in Richmond, will have a total of 144 seniors independent living units including:

- Two outdoor garden areas to relax in comfort and safety
- A full commercial kitchen with an added private dining room with meals catered from the main kitchen is available for booking.
- A tuck shop for those 'gotta have' items and to take care of your sweet tooth.
- A multi-purpose room with a large TV
- A library with computers
- A billiards room
- A separate lounge area with a games room for the occasional game of crib or poker.
- A theatre
- A craft room for all tenants to enjoy.
- A bus available to take residents out on day trips, whether it's to the mall, the casino or a show

Construction started in October and is anticipated to be complete by December 2011.

**PARTNERS AND FUNDING**

The total capital cost of this development is approximately \$46.5 million.

- The Government of Canada, through Canada Mortgage and Housing Corporation (CMHC), will provide approximately \$2,227,500, through Canada's Economic Action Plan.
- The Province of British Columbia will provide approximately \$1,697,550 through a Provincial Infrastructure Grant
- The Province will also provide approximately \$34.4 million in construction financing.
- Steveston Unit 284 of the Army Navy and Air Force Veterans of Canada provided land valued at approximately \$8,310,000 and will lease the land to Steveston 284 Seniors' Housing Society

## ARTISANS' GALERIA

### ARTISANS' GALLERIA OPENING RECEPTION A SUCCESS

The snow held off long enough for the invitees to attend the pre-opening reception for the COMMUNITY ARTS COUNCIL OF RICHMOND'S new location for it's ARTISANS' GALLERIA, in Garden City Shopping Center.

The event was attended by member artists, dignitaries, benefactors and friends, who all gave a "thumbs up" to the transformation of the space into an inviting gallery filled with wonderful treasures.

City of Richmond Mayor Malcolm Brodie performed the "official" ribbon cutting with an assist from counselor Bill McNulty and well-known Richmond benefactor Gary McPhail. Unfortunately MLA John Yap had to cut his visit short and was not on hand to participate.

Refreshments were served, door prizes given out and there were smiles on the faces of those in attendance. It was indeed a successful evening.

The Community Arts Council of Richmond plans to use this new location to hold it's many exhibitions during next year and invites everyone to come and visit the new location where there is lots of parking and of course fabulous work by local artists and artisans at reasonable prices. Every purchase made in the Artisans' Galleria helps support the arts and artists in Richmond.

They also want to thank everyone including the media for helping them make this a new start towards a continuing future. The Galleria is open Mon – sat 10 – 5 and Sunday 12 – 5.

The actual ribbon cutting and feature left to right: Gary McPhail (the McPhail Group), Richmond Mayor Malcolm Brodie, and Richmond City Councillor Bill McNulty.

### ANAF Unit # 284, Re-Opens in a Temporary Location

The Army, Navy & Air Force Veterans in Canada are Canada's oldest veterans', ex-service persons' and community service organization with more than 18,000 members throughout Canada. The first unit was formed in 1840 in Montreal and our non-profit organization was incorporated by a special ACT of Canada's Parliament in 1917.

In 1946, thirty Steveston area vets approached the Army, Navy & Air Force Veterans in Canada for a Charter to open their own Veterans club in Steveston. Now here we are in 2010 – 64 years later – going strong and building a new clubhouse. Most Richmond residents and visitors have noticed the landmark ANAF Clubhouse on the corner of No. 1 Road and Chatham Street came tumbling down late last Fall. We then spent some time as the neighbourhood kitty litter pan, and now today the site sits bare with the pre-load removed and ready for the site servicing to begin shortly.

The obvious question is where will all these veterans', ex-service persons' and volunteers meet to continue their community support while the old site is under construction? If you stand on the site of the old clubhouse and look 'over yonder' you will spot the Coast Capital Credit Union. The second floor above the Credit Union is the temporary home for all the ANAF members to come together and continue their community support through various fundraisers, including their Thursday night free BINGO, their Friday and Saturday Meat Draws and the standby favorite – the LA Sunday Fundraiser.

The pool tables are set-up and the kitchen is open each day for lunch, so stop up have a bite to eat and watch out the window as things start to take shape kitty-corner to the temp location.

If you have any questions about the hours or services, you can check out the ANAF website at <http://www.anaf284.bravehost.com/>

When the new ANAF clubhouse rises from the ground, it will bring with it, the Maple Residences, a 144 unit Seniors' Independent Living facility. Information about the Maple Residences can be found on their website: <http://steveston284seniorshousing.webs.com/>
