INDEPENDENT LIVING IS COMING TO STEVESTON SPRING 2012

One of the most talked about projects in Steveston right now is the buildings being erected on the corner of No. 1 Road and Chatham Street. For those that have watched the project emerge since late 2009 with the demolition of the ANAF Unit 284 Clubhouse, the changes to the site are astounding. For those who are new to the area or those that may not know the history of the site, the property located at 11900 No. 1 Road was originally the site of the Steveston Fisherman's Hospital Complex. From 1900 to 1942 the Hospital complex was administered by the Fisherman's Benevolent Society and was the site of the first hospital in Richmond which was also Canada's first hospital to offer socialized medicine. In 1947 the Steveston Unit 284 of the Army, Navy and Air Force Veterans of Canada purchased the land.

In April 2009, the Steveston Unit 284 of the Army, Navy and Air Force Veterans of Canada together with Steveston (Unit 284) Holdings Ltd. formed Steveston 284 Seniors' Housing Society, a non-profit, registered charity, and they were tasked with seeing the development through to completion. So, the project located at No. 1 Road and Chatham Street in Richmond, will be a two building development connected in an 'H' pattern encompassing:

- 144 seniors' housing units with integrated support services, owned and managed by Steveston 284 Seniors' Housing Society; and
- A commercial building comprised of a lounge and clubhouse for the Steveston Unit 284 of the Army, Navy and Air Force Veterans Association will also be built on the site.

Construction started in October 2010 and is anticipated to be complete and ready for tenants by April 2012.

The total capital cost of this development is approximately \$46.6 million.

- The Government of Canada, through Canada Mortgage and Housing Corporation, will provide approximately \$2,227,500, under Canada's Economic Action Plan.
- The Province of British Columbia will provide approximately \$1,697,550 through a Provincial Infrastructure Grant.
- Steveston Unit 284 of the Army, Navy and Air Force Veterans of Canada provided land valued at approximately \$8,310,000

We have been working hard both with what you can see and what you can't. Through our [website](http://steveston284seniorshousing.webs.com), <http://steveston284seniorshousing.webs.com> we have kept the community up to date with the development, as information became available we uploaded it to the web site and we have kept a photo book of our progress for all to see.

In late 2009 interest was expressed by individuals wanting to put their name on a wait list, so we began a wait list for the

individuals who wanted the opportunity to potentially be one of the first tenants in the new Independent Living building. We have received a deluge of requests from Richmond residents, lower mainland residents and others from around the Country and the world. Names are kept in chronological order based on the date the request was made so all qualified individuals will have an equal opportunity to become one of the first tenants. Check our website for tenancy criteria and the link to add your name to the wait list.

The most exciting progress that has happened is that we are starting to contact the people who asked to have their name placed on the wait list to see if they are still interested in becoming tenants. Small

groups of people will be invited to private meetings to receive information on the development and to make their suite selections. This does not stop individuals from adding their name to the list as the wait list will be used beyond the original tenants to fill vacancies that would occur.

EXPERIENCE THE ARTS A CULTURE DAYS SUCCESS

THE COMMUNITY ARTS COUNCIL OF RICHMOND (CACR) is pleased to report that their first involvement with Culture Days was a great success.

Held at Lansdowne Centre in their Kiosk Court, more than a dozen artists, musicians and artisan's came together to engage the public and help them **"Experience the Arts"**. At the end of the day on Sunday, their counters read 976, just under their goal of 1000 people, but close enough to name it a success.

Considering this was the first time the CACR had participated in Culture Days, and not knowing what to expect, they were very happy with the smiles on the faces of those who stopped by. The public tried their hand at playing with clay, watching an artist create a painting; watch up close how wood workers create their magic with wood. They learned how to make a greeting card, collage, hand build a clay container, how to photo shop, listened to both chamber music and a solo violinist.

City Councillor, historian and author Bill McNulty was also on hand to discuss his latest book "Steveston – A Community History" and enlighten those present to the rich heritage and history of this fishing village still alive and well today. Proceeds from his

book go to the Tsunami relief effort ongoing in Japan.

It was a huge amount of preparation and work before hand, and a full two days, but was it worth it, YES! The CACR wishes to thank Lansdowne Centre for the space, all who participated and, of course, the Culture Days organizers.

MLA YAP PAYS TRIBUTE TO MILAN ILICH IN HOUSE

John Yap, MLA for Richmond-Steveston, spoke in the Legislature today to pay tribute to the late Milan Ilich:

"There's a motivational saying that goes something like this, 'The world has two kinds of people: Those who make things happen, and those who wonder what happened.'

"Since we last assembled in this House, our province lost a man who truly made things happen.

"Milan Ilich was born in Anyox, B.C., but moved to Richmond when he was one year old. His family taught him about love and compassion,

while business taught him the value of a dollar and forgiveness.

"Milan's accomplishments are hard to state in just two minutes. For eight years he was the owner of the Vancouver 86ers professional soccer team. He was a founding co-owner of the WHL Vancouver Giants. He was involved in Richmond's planning for the hugely successful 2010 Winter Olympics.

"Besides sports, Milan took a lead role in establishing a community services facility in Richmond called The Caring Place. This building is home to 22 volunteer-based social service agencies. He not only made a substantial personal donation to this project, but also encouraged many other businesses to add their support.

"His philanthropy extended to causes large and small. He was a major benefactor to the Richmond Hospital and was known for his quiet generosity to ordinary people in need when he encountered them.

"Milan was known as one of Richmond's most successful developers. He was instrumental in developing a neighborhood known as Terra Nova. He supported the inclusion of child care and affordable housing amenities.

"He loved his home of Richmond and, ultimately, wanted to do what was good for the community and his province. Milan received the Order of B.C. in 2010.

"Milan Ilich died at the age of 76 on June 29th, after a 14-month battle with leukemia. His memorial service was attended by over 1,000, a standing-room-only event, so fitting for a man who left a legacy of good deeds, of making things happen.

THE MAPLE RESIDENCES - SENIORS

INDEPENDENT LIVING OPENING SPRING 2012!

One of the most talked about projects in Steveston right now is the buildings being erected on the corner of No. 1 Road and Chatham Street that will back onto Steveston Park when it is finished and ready for tenants in April 2012.

I am often asked what is independent living? The short answer is that we are giving our seniors the opportunity to live in their own space but not have to worry about the day to day mundane tasks – cooking meals, washing linens, lawn care, etc. The tenants pay one set amount and their basic needs are taken care of plus they get some extra bonuses.

The Maple Residences is the complete package; all suites are rented as fully serviced suites. Fully serviced at the Maple Residences means all the following items are included in your monthly rental fee:

- 24 hour staffing & assistance;
- Daily resident door check;
- Advanced security system with personal entry cards;
- Advances emergency response system - pull stations located within the suite to summon assistance 24 hours a day;
- 24 hour video monitoring of all entrances & the parkade;
- Meals include self-serve breakfast at your leisure, sit down, served restaurants style lunch and dinner;
- weekly light housekeeping;
- weekly linen service for towels and bedding;
- no charge access to laundry facilities for washing personal items;
- utilities (including hydro, wireless internet and basic cable TV);
- secure parking for your bicycle or scooter;
- smoke and pet-free environment (reducing

- allergens)
- outdoor garden areas for those who still like to putter in the garden but can do without the daily obligation of watering and weeding

The building hosts a plethora of activity rooms for every interest including its own theatre, a fully equipped billiards room, a library, a computer room, an exercise room and even a craft room if you are so inclined. Not to mention the huge amenity room off the main dining room where you can join in on an abundance of group activities that the tenants will help determine – maybe it will be line dancing, Tai Chi or Yoga who knows what the tenants will decide! The large screen TV will ensure everyone gets a good seat whether it's for watching the news, a sporting activity or a cooking show.

You will also have onsite access to:

- a private guest suite for when out of town family wants to spend the night
- a private dining room for family events
- a beauty salon / barbershop
- spa services
- secure parking for your car

All of this without ever having to leave the building! But, should you decide you want to partake in the planned weekly outings there

will be a sign-up sheets available.

Family members of our tenants can feel secure knowing that their loved ones are in good hands. Tenants can spend their days worry free, enjoying all the Maple

Residences has to offer. Fun has no limits at the Maple Residences!

To get full details on our project and to get your name on the waiting list check out our website at www.TheMapleResidences.com

"I hope our residents, their guests, and our many visitors enjoy the hospitality of Steveston".

In every city there is one club that distinguishes itself from the rest – one club where the facilities, service and tradition combine to offer an unparalleled membership experience. In Richmond, it is the Steveston Unit 284 of the Army, Navy & Air Force Veterans in Canada Association.

Established in 1917, ANAF is one of Canada's most distinguished private clubs with a reputation for assisting veterans in need and for community support. Dynamic and constantly evolving, the Club is as committed to its traditions as it is to forward progress, and embodies the phrase "honouring traditions while embracing tomorrow" in all that it undertakes. The Steveston ANAF began its journey in 1946 when 30 local veterans obtained a charter to open up a veterans club in Steveston. From their humble beginnings to their present day successes, the ANAF has been an integral part of Steveston for the past 65 years.

Although the primary focus of the ANAF Club is to support Veteran's and their dependents, we are not a group to only support part of the community. ANAF 284 has helped to sponsor and fundraise for many local groups over the years, including children's sports teams, the B.C. Cancer Society, the Red Cross, Boy Scouts and Girl Guides, cadets, Terry Fox fund, Richmond General Hospital, The Food Bank, The Salvation Army and many, many more groups in Steveston and beyond. Total donations in our 65 years amounts to in excess of \$3,500,000.00.

The Steveston ANAF Club is an excellent place to share with friends, to meet new people, and to be a Member. Military service is not a prerequisite to join – all are Welcome!

The Club holds a variety of social events for its members on an ongoing basis. Highlighting the Club's calendar are the weekly meat draws on Friday and Saturday, the free Bingo on Thursday's with a \$500 jackpot to be won. The 55+ Seniors participate in fun snooker weekly, with competitive snooker every other week during the winter months. During the summer months these Seniors' also play Golf at a local Executive style course. A large TV for sporting events, free giveaways during sporting events all combined with the good fellowship and camaraderie of a superb club.

Join us in the temporary location 3960 Chatham Street on the corner of No. 1 Rd in Steveston (above Coast Capital). Give us a call if you want more details 604-277-7350 or 604-277-5444.
