**INDEPENDENT LIVING IS COMING TO STEVESTON SPRING 2012**

One of the most talked about projects in Steveston right now is the buildings being erected on the corner of No. 1 Road and Chatham Street. For those that have watched the project emerge since late 2009 with the demolition of the ANAF Unit 284 Clubhouse, the changes to the site are astounding. For those who are new to the area or those that may not know the history of the site, the property located at 11900 No. 1 Road was originally the site of the Steveston Fisherman's Hospital Complex. From 1900 to 1942 the Hospital complex was administered by the Fisherman's Benevolent Society and was the site of the first hospital in Richmond which was also Canada's first hospital to offer socialized medicine. In 1947 the Steveston Unit 284 of the Army, Navy and Air Force Veterans of Canada purchased the land.

In April 2009, the Steveston Unit 284 of the Army, Navy and Air Force Veterans of Canada together with Steveston (Unit 284) Holdings Ltd. formed Steveston 284 Seniors' Housing Society, a non-profit, registered charity, and they were tasked with seeing the development through to completion. So, the project located at No. 1 Road and Chatham Street in Richmond, will be a two building development connected in an 'H' pattern encompassing:

- 144 seniors' housing units with integrated support services, owned and managed by Steveston 284 Seniors' Housing Society; and
- A commercial building comprised of a lounge and clubhouse for the Steveston Unit 284 of the Army, Navy and Air Force Veterans Association will also be built on the site.

Construction started in October 2010 and is anticipated to be complete and ready for tenants by April 2012.

The total capital cost of this development is approximately \$46.6 million.

- The Government of Canada, through Canada Mortgage and Housing Corporation, will provide approximately \$2,227,500, under Canada's Economic Action Plan.
- The Province of British Columbia will provide approximately \$1,697,550 through a Provincial Infrastructure Grant.
- Steveston Unit 284 of the Army, Navy and Air Force Veterans of Canada provided land valued at approximately \$8,310,000

We have been working hard both with what you can see and what you can't. Through our [website](http://steveston284seniorshousing.webs.com), <http://steveston284seniorshousing.webs.com> we have kept the community up to date with the development, as information became available we uploaded it to the web site and we have kept a photo book of our progress for all to see.

In late 2009 interest was expressed by individuals wanting to put their name on a wait list, so we began a wait list for the individuals who wanted the opportunity to potentially be one of the first tenants in the new Independent Living building. We have received a deluge of requests from Richmond residents, lower mainland residents and others from around the Country and the world. Names are kept in chronological order based on the date the request was made so all qualified individuals will have an equal opportunity to become one of the first tenants. Check our website for tenancy criteria and the link to add your name to the wait list.

The most exciting progress that has happened is that we are starting to contact the people who asked to have their name placed on the wait list to see if they are still interested in becoming tenants. Small groups of people will be invited to private meetings to receive information on the

development and to make their suite selections. This does not stop individuals from adding their name to the list as the wait list will be used beyond the original tenants to fill vacancies that would occur.

## Premier Christy Clark sets off on her jobs and trade mission to Asia

Premier Christy Clark sets off on her jobs and trade mission to China and India today, joined by nearly 350 representatives from 150 companies, organizations and community.

The fact the Premier is personally leading the jobs and trade mission ^ and that she will be joined by Ministers Pat Bell, Mike de Jong and Steve Thomson ^ is of critical importance. Business everywhere is about relationships, but nowhere more so than in Asia.

Premier Christy Clark, along with the three ministers, will open doors for the delegates on the jobs and trade mission. Companies such as Western Canada Seafood Merchants and Processors, Flying Fresh Air Freight, and the Vancouver International Airport Authority from Richmond are some which will benefit from this.

British Columbia seafood is just one of our products in great demand in China. Last year B.C. exported \$957 million worth of seafood globally, including \$80 million to China. This trade mission will be a great opportunity to increase our seafood exports even more.

**This is a great opportunity for Steveston,** which has the largest commercial fishing fleet on the west coast of Canada. Increases in seafood exports will inevitably mean more business for seafood companies in Steveston and more jobs. The greater number of cargo flights that will be needed to ship ever increasing volumes of seafood to China will also mean more jobs at

Vancouver International Airport.

Increased exports and more jobs will benefit the entire province as well. This is good for families, good for business ^ and also, I might add, good for the vital services we all rely on, such as health care and education.

More exports and more jobs mean more money for this government to continue strengthening these vital services. I wish Premier Christy Clark and the hundreds of delegates on this jobs and trade mission the very best as they work to increase our exports to Asia and create jobs here at home.

### THE MAPLE RESIDENCES - SENIORS

#### INDEPENDENT LIVING OPENING SPRING 2012!

One of the most talked about projects in Steveston right now is the buildings being erected on the corner of No. 1 Road and Chatham Street that will back onto Steveston Park when it is finished and ready for tenants in April 2012.

I am often asked what is independent living? The short answer is that we are giving our seniors the opportunity to live in their own space but not have to worry about the day to day mundane tasks – cooking meals, washing linens, lawn care, etc. The tenants pay one set amount and their basic needs are taken care of plus they get some extra bonuses.

The Maple Residences is the complete package; all suites are rented as fully serviced suites. Fully serviced at the Maple Residences means all the following items are included in your monthly rental fee:

- 24 hour staffing & assistance;
- Daily resident door check;
- Advanced security system with personal entry cards;
- Advances emergency response system - pull

- stations located within the suite to summon assistance 24 hours a day;
- 24 hour video monitoring of all entrances & the parkade;
- Meals include self-serve breakfast at your leisure, sit down, served restaurants style lunch and dinner;
- weekly light housekeeping;
- weekly linen service for towels and bedding;
- no charge access to laundry facilities for washing personal items;
- utilities (including hydro, wireless internet and basic cable TV);
- secure parking for your bicycle or scooter;
- smoke and pet-free environment (reducing allergens)
- outdoor garden areas for those who still like to putter in the garden but can do without the daily obligation of watering and weeding

The building hosts a plethora of activity rooms for every interest including its own theatre, a fully equipped billiards room, a library, a computer room, an exercise room and even a craft room if you are so inclined. Not to mention the huge amenity room off the main dining room where you can join in on an abundance of group activities that the tenants will help determine – maybe it will be line dancing, Tai Chi or Yoga who knows what the tenants will decide! The large screen TV will ensure everyone gets a good seat whether it's for watching the news, a sporting activity or a cooking show.

You will also have onsite access to:

- a private guest suite for when out of town family wants to spend the night
- a private dining room for family events
- a beauty salon / barbershop
- spa services
- secure parking for your car

All of this without ever having to leave the building! But, should you decide you want to partake in the planned weekly outings there will be a sign-up sheets available.

Family members of our tenants can feel secure knowing that their loved ones are in good hands. Tenants can spend their days worry free, enjoying all the Maple

Residences has to offer. Fun has no limits at the Maple Residences!

To get full details on our project and to get your name on the waiting list check out our website at [www.TheMapleResidences.com](http://www.TheMapleResidences.com)

In every city there is one club that distinguishes itself from the rest – one club where the facilities, service and tradition combine to offer an unparalleled membership experience. In Richmond, it is the Steveston Unit 284 of the Army, Navy & Air Force Veterans in Canada Association.

Established in 1917, ANAF is one of Canada's most distinguished private clubs with a reputation for assisting veterans in need and for community support. Dynamic and constantly evolving, the Club is as committed to its traditions as it is to forward progress, and embodies the phrase "honouring traditions while embracing tomorrow" in all that it undertakes. The Steveston ANAF began its journey in 1946 when 30 local veterans obtained a charter to open up a veterans club in Steveston. From their humble beginnings to their present day successes, the ANAF has been an integral part of Steveston for the past 65 years.

Although the primary focus of the ANAF Club is to support Veteran's and their dependents, we are not a group to only support part of the community. ANAF 284 has helped to sponsor and fundraise for many local groups over the years, including children's sports teams, the B.C. Cancer Society, the Red Cross, Boy Scouts and Girl Guides, cadets, Terry Fox fund, Richmond General Hospital, The Food Bank, The Salvation Army and many, many more groups in Steveston and beyond. Total donations in our 65 years amounts to in excess of \$3,500,000.00.

The Steveston ANAF Club is an excellent place to share with friends, to meet new people, and to be a Member. Military service is not a prerequisite to join – all are Welcome!

The Club holds a variety of social events for its members on an ongoing basis. Highlighting the Club's calendar are the weekly meat draws on Friday and Saturday, the free Bingo on Thursday's with a \$500 jackpot to be won. The 55+ Seniors participate in fun snooker weekly, with competitive snooker every other week during the winter months. During the summer months these Seniors' also play Golf at a local Executive style course. A large TV for sporting events, free giveaways during sporting events all combined with the good fellowship and camaraderie of a superb club.

The Heroes Fund for Animal Protection supports the many heroes connected to our organization. Our Cruelty Investigations Department (CID) works under the authority of the provincial Prevention of Cruelty to Animals Act to respond to the thousands of complaints of animal cruelty and neglect the BC SPCA receives each year. Our Special Provincial Constables work in communities across the province and when needed, seize and rescue animals from neglectful and abusive conditions such as puppy and kitten mills, animal fighting rings and hoarding. In many cases, animals are found dehydrated, starving, without shelter and in certain cases, they are found suffering from wounds that have been intentionally inflicted.

Supporting the Heroes Fund helps support the numerous resources required for this physically and emotionally demanding work. Staffed by professional officers as well as

### Homeless Puppies seek forever home

Hello! We Are Looking for our Forever Homes-- Can you help us? Fay and Sydney are our 2 youngest puppies. And although they are not siblings, they sure do enjoy each other's company. Fay is a cute little Chi mix who is 4 months old and weighs 7lb. Her mommy was a Jack Russel or Rat Terrier, but the daddy was most likely a Chihuahua, because Fay looks just like a Chi, just bigger than most. Fay has a very sweet and calm temperament, and is very affectionate once she gets to know the person. She is usually very quiet and non-demanding, but will bark to join in the chorus with the other dogs in her foster home. Fay loves to play with other doggies and would also probably be

good with kids because she's very gentle (as long as the kids are gentle with her!). She a sturdier version of the Chi breed, which would make her a great family pet. Fay is already spayed and fully vaccinated. Her adoption fee is \$450. Sydney is an 11 week old (born July 22), 4lb bundle of cuteness. She is a Yorkie Min Pin mix, since her mommy is a Yorkie mix, but Sydney looks very much like a Min Pin. Sydney is a curious, playful and sometimes mischievous little tyke. She has lots of energy to play with other doggies in her foster home. But she also calms down quickly, especially when picked up and cuddled. She seems to have a more submissive temperament. Sydney really likes being carried around in a comfy doggy pouch and travels really well in a

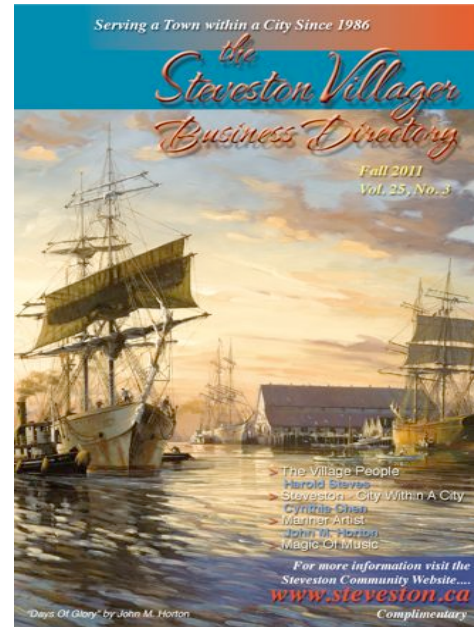

crate. She would probably do well being taken to work once she gets older. Sydney is already spayed and current on her vaccinations, but she will need her last set in a few weeks. Sydney's adoption fee is \$450.
